"I'm Sorry"

This wasn't ment to be
I always thought that we had an understanding
So don't, don't hold on to me
I should have said "now leave"
This is all my fault

And I'm sorry, I'm sorry
You couldn't keep love down
Forgive me, forgive me
Cos I can't kick you out
And I'm sorry

That I messed up this way
Never ment to sound cliché but its me not you
Say you need me
I know I can't be the whenever you want me to
I know its all my fault

And I'm sorry, I'm sorry
You couldn't keep love down
Forgive me, forgive me
Cos I can't kick you out
And I'm sorry

How could I cause you pain
I hope its not too late
Cos you've been hurt that way
I know its all my fault and I want to say
I'm sorry

Ooh, ooh, ooh

And I'm sorry, I'm sorry
You couldn't keep love down
Forgive me, forgive me
Cos I can't kick you out
And I'm sorry

I'm sorry
Couldn't keep love down

Forgive me, forgive me
Cos I can't kick you out

Forgive me, forgive me

How could I cause you pain
You couldn't keep love down
Cos you've been hurt that way
Cos I can't kick you out

Sorry
