"Love Me Like This"

Hey, I think in love
I'm trippin' on you
Can't believe it
When you say
You're feeling your heart
And that it goes boom
Something's happened to you

I want to follow you baby
Tonight, tomorrow

[CHORUS:]

And everyday when I'm feeling like this
I know you're gonna be
Thinking about what you say and what you do to me
Coz when the light's down low
And we play it slow, whoa
And when you love me like this
That's all I really need
Thinking about what you say and what you do to me
Coz when the light's down low
Then you got me where I can't say no

Let's bump, bump
Come on and bump, bump, bump
Ooh bump, bump
Come on and bump, bump, bump
Brrr, bump, bump

There's nobody, just you
Wherever you go
That's where I'll be
Coz your love, it reaches up
Just like a rainbow
Spread your colours all over me

I want to follow you baby
Tonight, tomorrow

[REPEAT CHORUS]

Let's bump, bump
(Thinking about what you say and what you do to me)
Come on and bump, bump, bump
Ooh bump, bump
(And when you love me like this)
Come on and bump, bump, bump
That's all I really need
Brrr, bump, bump

If there ever was a question
No I know, I got the answer
You're not just another lover
You're the one I can't live without

[REPEAT CHORUS]

Let's bump, bump

[REPEAT CHORUS]
