I don't wanna be alone  
I wanna be together  
On the loop  
I don't wanna be alone  
I wanna be together  
When the troubles over

I don't wanna be alone  
I wanna be together  
On the loop  
Love unfolds  
Giving you all my heart again

This love is dangerous  
Giving you all my heart again  
This love is dangerous  
Giving you all my heart again  
On the loop

Gonna tell me baby if it's now or never  
On the loop  
I wanna hang around but i can't be forever  
You're gonna take me over

Gonna tell me baby if it's now or never  
On the loop  
Love unfolds  
Giving you all.....

This love is dangerous  
Giving you all my heart again  
This love is dangerous  
Giving you all my heart again  
On the loop

This love is dangerous (can't stop thinking now [x2])  
This love is dangerous

I don't wanna be alone  
I wanna be together  
On the loop  
I don't wanna be alone

I wanna (uh)  
The troubles over

If you wanna come around  
I'll make an effort baby  
On the loop  
Love unfolds  
Giving you all my heart again

This love is dangerous  
This love is dangerous  
On the loop

Just be together  
Just be together  
On the loop  
Just be together  
Be together be together

On the loop
