Round the world  
Round the world  
Round  
The world  
Go round the world, world, world, world

I got a room with a view on hold  
I got a space you can share with me  
I'm out of step and I'm all alone  
It's just the way I feel  
Oh  
I spend a long time holding onto memories

I need you now  
At the tip of my finger  
Your body's gone  
But your kisses linger  
I know the language you are using  
We're travelling baby  
Without moving

Round  
The world  
Go round the world  
I can tell that you're thinking 'bout it  
Now  
I'm your girl  
Go round the world  
I can tell that you're thinking 'bout it

Whenever I can't find the time  
Wherever are taking me  
Whatever you've got on your mind  
Is what I want to hear  
Oh  
It's been a long time  
All I have is memories

I need you now  
At the tip of my finger  
Your body's gone

But your kisses linger  
I know the language you are using  
We're travelling baby  
Without moving

Round  
The world  
Go round the world  
I can tell that you're thinking 'bout it  
Now  
I'm your girl  
Go round the world  
I can tell that you're thinking 'bout it

Round  
The world  
Go round the world  
I can tell that you're thinking 'bout it  
Now  
I'm your girl  
Go round the world  
I can tell that you're thinking 'bout it

Oh, oh, oh, oh  
Oh, oh, oh

I need you now  
At the tip of my finger  
Your body's gone  
But your kisses linger  
I know the language you are using  
We're travelling baby  
Without moving

I need you now  
At the tip of my finger  
Your body's gone  
But your kisses linger  
I know the language you are using  
We're travelling baby  
Without moving

Round  
The world  
Go round the world  
I can tell that you're thinking 'bout it  
Now  
I'm your girl  
Go round the world  
I can tell that you're thinking 'bout it
