"Spend Your Love On Me"

I feel your eyes on me
Here tonight
Don't wait
Just put it on me baby
I'm ready to give you my time
Don't think that I'm playing
I need what no money can buy

[Chorus:]

Baby if you want me
You'll be giving something to me
So baby strip it to the bone
Let me see it
Make me feel it
Show me there's a better place to be
So baby if you want me
Tell me you know how to surrender
Take me in with open arms
Then I'll know it
Baby show it
Give me what I'm missing
Come on spend your love on me

Do you the feel the night calling us?
Don't be shy
I know you got it in you baby
I'm ready to give you my time
Don't think that I'm playing
Cause I need what no money can buy

[Repeat Chorus]

Material things that you got
They don't mean anything
Material things won't go far
They don't mean nothing at all
It's all about love
So sign your name on my heart
Coz I'm living when you're

Giving it to me
Giving it to me
When you're giving it to me
Giving it to me
When you're giving (giving it to me)
Giving, oh (giving it to me)
Spend your love on me

[Repeat Chorus]
