Success

Are you ready?
Are you ready?
Are you ready?
Are you ready?
Yo, hey, yo, hey, yo

If you're wantin' some action
I've got somethin' for you
A funky style with attraction
A kinda life with a different attitude

You have expensive possessions
Your wildest dreams, they all come true
You are the main attraction
People adore the image of you

You're drivin' fancy cars
And wearin' fancy things
Drippin' with diamonds and gold
(The real thing)

Is it much too much
Or is it much too fast?
Tell me are you ready
Really, really, ready for

Success
It's an attitude
Livin' the lifestyle
Is gettin' real buck wild

Success
Hey, if you want it
You've just got to let go
Come and get into it
Success

Can you handle the limelight?
'Cause the press machine will snap your face
And eat your mind too
You need more than a doctor
To help you through the good, the bad and the blues

It's a chain reaction
A dimension where you're pumpin' and stompin' the
tunes
It may not be everlastin'
But my advice is try success
'Cause it might be right for you

You're drivin' fancy cars
And wearin' fancy things
Drippin' with diamonds and gold
(The real thing)

Is it much too much
Or is it much too fast?
Tell me are you ready
Really, really, ready for

Success
It's an attitude
Livin' the lifestyle
Is gettin' real buck wild

Success
If you want it
You've just got to let go
Come and get into it
Success

If you want it
Success
If you need it
Success
Come and get it
Success

Success
Success

Hit it

Success
Success
Success

Keep, keep on

Keep, keep on
Keep, keep on
Keep, keep on sayin'

You're drivin' fancy cars
And wearin' fancy things
Drippin' with diamonds and gold
(The real thing)

Is it much too much
Or is it much too fast?
Tell me are you ready
Really, really, ready for

Success
It's an attitude
Livin' the lifestyle
Is gettin' real buck wild

Success
Hey, if you want it
You've just got to let go
Come and get into it
Success

Can you handle bright lights, parties every Friday night
Limousines, club scenes, money that keeps rollin' in
Cameras at every block, gossip that will never stop?
That's the lifestyle of success

Success
Success
Success

(Tell me, tell me)
Livin' the lifestyle
(Tell me, tell me)
Success
(Tell me, tell me)
Success

Success
Success
Success

Keep on sayin' it
Pumpin' and stompin'
Pumpin' and stompin'
Pumpin' and stompin'
Pumpin' and stompin'

Keep on sayin' it
Keep on sayin' it
