Tonight's temptation  
Baby, you're tonight's temptation  
Make me wanna move my body to you  
And get closer to  
Tonight's temptation

It is a party, the music is playin'  
And there is a crowd that's jumpin' and singin'  
The moment that I walked through the door  
I spotted you out there, out on the floor

You can imagine what I was thinking  
When I saw you and the way that you moved  
I was caught by temptation, a look at your body  
I just want to get a little closer to you

Tonight's temptation  
I'm talkin' 'bout tonight's temptation  
You make me wanna move my body to you  
And get closer to  
Tonight, tonight, tonight

Tonight's temptation  
Baby, you're tonight's temptation  
Make me wanna move my body to you  
And get closer to  
Tonight's temptation

Now I have traveled all over the world  
New York to London, at every party  
But never have I seen someone like you  
Who was so sexy and knows how to move like you do

Tonight's temptation  
(Tonight's temptation)  
Tonight's temptation  
(Tonight's temptation)

Tonight's temptation  
(Tonight's temptation)  
Tonight's temptation  
(Tonight's temptation)

Tonight

If I could have you  
Close with me tonight  
Oh, I would love to  
Love you 'til morning light

Tonight's temptation  
Baby, you're tonight's temptation  
Gonna move my body to you  
And get closer to  
Tonight, tonight, tonight

I'm talkin' 'bout tonight's temptation  
Tonight's temptation  
Gonna move my body to you  
And get closer to  
Tonight, tonight, tonight

You're the one  
You're the one  
You're the one  
You're the one

Tonight's temptation  
(Tonight's temptation)  
Tonight's temptation  
(Tonight's temptation)  
Move my body to you  
And get closer to

I wanna be with you  
You make me wanna move it  
(Make me wanna move it)  
You make me wanna groove it  
(Make me wanna groove it)

You make me wanna party all night  
(Make me wanna party all night)  
And never ever lose that feeling of  
(Feeling of)

(Tonight's temptation)  
I'm gonna get tonight  
(Tonight's temptation)  
Make me wanna move my body to you  
And get closer to

You're the one  
(Tonight's temptation)  
You're the one

(Tonight's temptation)

You're the one  
(Tonight's temptation)  
You're the one  
(Tonight's temptation)

You're the one  
(Tonight's temptation)  
You're the one  
(Tonight's temptation)

You're the one  
(Tonight's temptation)  
You're the one  
(Tonight's temptation)

You're the one  
(Tonight's temptation)  
You're the one  
(Tonight's temptation)

You're the one  
(Tonight's temptation)  
You're the one  
(Tonight's temptation)
