Ahh

Where do we go now?
I don't know
Innocence over
Fading fast

And it's hard to know what you're thinking
When you hide inside you head
You're still promising perfection, perfection

With empty words
With empty words
With empty words
With empty words

And it's hard to break a habit
You're lost inside it
Who do you love now?

And it's hard to break a habit
You're lost inside it
Who do you love now?

Who do you love now?
Who do you love now?

A moment of coldness
Cuts through me (cuts through me)
I've tried to remember
Why I don't leave (I don't leave)

And you're the cause of my confusion
Closing down the way I feel
How come I don't see so clearly, so clearly

Fighting to breathe
Fighting to breathe
Fighting to breathe
Fighting to breathe

And it's hard to break a habit
You're lost inside it
Who do you love now?

And it's hard to break a habit
You're lost inside it
Who do you love now?

Who do you love now?
Who do you love now?

Who do you love?
Who do you love?
Who do you love?
Who do you love?
Who do you love?
Who do you love?

And it's hard to break a habit
You're lost inside it
Who do you love now?

And it's hard to break a habit
You're lost inside it
Who do you love now?

And it's hard to break a habit
You're lost inside it
Who do you love now?

And it's hard to break a habit
You're lost inside it
Who do you love now?

Who do you love?
Who do you love?
Who do you love?
Who do you love now?

Who do you love?
Who do you love?
Who do you love?
Who do you love now?
Lyrics (French)

Est c'que tu m'aimes encore
Je n'sais plus
L'amour etait fort
Entre nous

Je n'sais pas vraiment a quoi tu penses
Tu te caches dans ton silence
Et la perfection de-tes promesses, tes promesses
Ne vaut plus rien

J'ai le mal de vivre sans toi
Tu es perdu en moi
Est c'que tu m'aimes encore

Est c'que tu m'aimes encore
Est c'que tu m'aimes encore

La froideur dans tes yeux
Me saisit
La distance entre nous
Me fait mal

Tu es la cause de ma confusion
La douleur dans ma raison
J'ai tout qui s'embrouille dans ma tete, dans ma tete
Rien ne va plus
