### "Who Do You Love Now? (Riva's Bora Bora Edit)"

Where do we go now?  
I don't know  
Innocence over  
Fading fast

And it's hard to know what you're thinking  
When you hide inside you head  
You're still promising perfection, perfection

With empty words  
With empty words  
With empty words  
With empty words

#### *[CHORUS:]*

And it's hard to break a habit  
(You're lost inside it)  
Who do you love now?  
And it's hard to break a habit  
(You're lost inside it)  
Who do you love now?  
Who do you love now?  
Who do you love now?

A moment of coldness  
Cuts through me (cuts through me)  
I've tried to remember  
Why I don't leave (I don't leave)

And you're the cause of my confusion  
Closing down the way I feel  
How come I don't see so clearly, so clearly

Fighting to breathe  
Fighting to breathe  
Fighting to breathe  
Fighting to breathe

*[REPEAT CHORUS]*

Who do you love? [x6]

*[REPEAT CHORUS (x2)]*

Who do you love?  
Who do you love?  
Who do you love?  
Who do you love now?

Who do you love?  
Who do you love?  
Who do you love?  
Who do you love now?
