D-o double t-i-e
Dottie, you're the girl for me

Dottie, can't you see
Dottie, you're for me
Dottie, you're the one I love

Dottie, hold me close
Dottie, you're the most
I swear by the stars above

I've dated so many chicks
But I still get my kicks
From the girl I love best
Better than all the rest

Always cool and smart
Dottie, you're so sharp
Honey, you're the one I love

I've dated so many chicks
But I still get my kicks
From the girl I love best
Better than all the rest

Always cool and smart
Dottie, you're so sharp
Honey, you're the one I love

D-o double t-i-e
Dottie, you are the one I love
