(feat. Justice)

[Danny]

Arm the homeless, they never lie
Every bullet is the truth
You'll be the first against the wall

Bring our tears down through the gutter
You'll see our blood is like your wine
You never see it thicken

A little walkway travellin'
To the ancient corner store
For a dime

[Justice]

Arm the homeless, give 'em guns and grenades
Persuade the homeless, to rebel and crusade
Arm the homeless, they never betray
Give 'em bullets and guns, missiles and tanks
Arm the homeless, you know they'd never lie
Every bullet is the truth, every death a homicide
Every tear, every cry, everyone deserves to die
When the homeless police the system, the system that
we abide by
Arm the homeless, they got nothin' to lose
A jacket, shirt and shoes, ripped pants, scraps of food
Arm the homeless, every bullet is real
Arm the homeless, they got nothin' to steal from you

[Danny]

Guilty of no apology
Not once did you ever ask of me
If I was clear within your mirror

Never asked where to draw the line
Being born's my only crime
I have no name

[Justice]

No house, no pain, no love, no shame
No voice, no name, no vote, no game
No life, no words, no rights, never heard

I'm the lost child of this world
I have no name
I have no name
I have no name
I have no... name
