(feat. Justice)

Don't weep for what you gave away  
To charity  
Or weep for the red color of  
Disparity

My skin is crawling from  
your brand, it sears  
On your leash I cannot crawl away  
Away from here

I'm scared because what I can't see

drags me underneath and buries me  
I'm scared because what I can't see  
drags me underneath and buries me

But I belong to you  
I throw myself into you  
But I belong to you  
and I throw myself into you  
But I belong to you
