Well, I don't mind, losin' my mind  
And I don't mind, the things that I can't find  
Joy and love, the things I've left behind  
I'll be fine, just lemme do my time

I got scratches  
All over my arms  
One for each day  
Since I fell apart

I got scratches  
All over my arms  
One for each day  
Since I fell apart

The sun is shinin', but I'm completely blind

The sky is cryin', but I don't seem to mind  
It's askin me why, I've left it so far behind  
I'll be fine, just lemme do my time

I got scratches  
All over my arms  
One for each day  
Since I fell apart

I got scratches  
All over my arms  
One for each day  
Since I fell apart
