[dresta]

I like big butts, but big tits drive me nuts
And heres another cut from the compton slut
The naughty nigga named dresta, the westside
gangsta
Comin back with more skills, than the buffalo bills
I'm makin mo' deals, than a strawberry might
I'll lick your clit, if you suck my pipe
Cos I ain't ashamed to get down, on the ground
And swing you round, like a merry-go-round
While I held your mound
The freaks come out at night
But freaky dre, comes anytime of the day
That's what they say
Cos I'm the horniest nigga in rap now
So lay your bare back down
And show me that crack now
Damn, girl your a gift
And bitches on soul train, still get my dick stiff
And I've been watchin them hoes for a good minute
Shakin that ass while I was wishin I was in it
I'm all about bustin nutts
And sexin up, the big girls butts
Vanilla, brown or black ass can be
Don't matter cos a bitch is a bitch to me
So here bitch put your lips, around my weiner
Bustin hoes from compton to alsadina
Have you seen her
Shake that ass with respect
I pump more rump shakers
Than wrex-n-effect
How can a nigga say it right, lets see
I gets more pussy than a dyke
I like different hoes
But I never get naked with a snake bitch
Only pull my clothes to my ankle, wanna stank hoe
Cos I'm a real nigga from the candy block
And since I'm makin ends
Hoes wanna hand me cock
You think you got hoe'd to a rich brother
But don't know I'm still broke than a motherfucker

But i'mma let cha think I got the riches
And keep runnin up in you gold diggin bitches
Get the dough then I hit the do'
To let the bitch know I'm the compton hoe

[chorus x2]

Bitch lay down
Take of them clothes
Spread the thighs wide open for the compton hoe

[dresta]

Compton new and improved
With a groove guarenteed to hit
And it's more funky than bootsy while he takin a shit
Cos I can do mo', than you will ever know
The neighbourhood hoe, with the compton flow
I'm never hesistent, when I represent my residence
Givin it all I got, 165 percent
Hangin out with my homies or my dogs everyday like
Party never stop, tick tock till the day light
Kickin it with my nigga bg moy, that's my homeboy
Killin for the gusto, never trust a hoe
Dresta's my name, original baby gangsta main
Rest in peace to vamp, crazy d and wayne
Tick tock non stop on the block and it's like that
Gotta give a shout to my homegirl nick nack
Tick tack toe, I got the dough but I want mo'
Even though you know I'm a bonafied hoe
See I gets the ends for the skins that I hit
I get to lick your slit to make you kickin shit
I getcha body hot with just one touch
And for you to freak your stuff, won't cost you much
Just 25 dollars an hour to make you holler
Another 10 dollars I'll eat your pussy in the shower
Come on and take your big booty for a ride
I'll cover my eyes and let you be the guide
Cos ain't no limitations on the things we do
I'll let my tongue lick where you want me to
As long as your kickin endo, I don't care so
Bitch take a flick with the compton hoe

[chorus x5]

[dresta]

Your pussy be the lake that my face be fishin in
So lick this dick to any bitch that's listenin
Catchin more hoes than a target at a gun range
Bitches call me daddy dre, cos they know I run thangs
Go with the flow cos you know I'm a pro
At hustlin a hoe outta all her dough
And I'm the type of nigga that never kick a grunyan

But I'm quick to use my bunions, to kick you in your
onion
Hoes outta know I don't find shit funny
You can keep your honey, bitch give me your money,
yeah
Cos being broke ain't no motherfuckin joke
So give me a c-note for every stroke
Broke in the fully, yeah money be the reason
I do it every season, get paid while in skizin
Never had to buy clothes, bitches buy me wardrobes
Gotta keep a job bitch cos I don't fuck the poor hoes
Yes you can say I'm a modern day gold digger
Hoes figure I don't give a fuck cos I'm a bold nigga
I'll tell it like it is, got to go with the flow
If you got the dough call up the compton hoe

[chorus x6]
