This time, this time, making Christmas  
Making Christmas, making Christmas  
Making Christmas is so fine, it's ours this time

And won't the children be surprised?  
It's ours this time, making Christmas  
Making Christmas, making Christmas

Time to give them something fun  
They'll talk about for years to come  
Let's have a cheer from everyone

It's time to party  
Making Christmas, making Christmas

Snakes and mice get wrapped up so nice  
With spider legs and pretty bows

It's ours this time, all together, that and this  
With all our tricks we're making Christmas time

Here comes jack, I don't believe  
What's happening to me?  
My hopes, my dreams, my fantasies

Won't they be impressed? I am a genius  
See how I transformed this old rat  
Into a most delightful hat, my compliments from me to  
you

On this, your most intriguing hat  
Consider though this substitute  
A bat in place of this old rat

No, no, no, now that's all wrong  
This thing will never make a present  
It's been dead now for much too long

Try something fresher, something pleasant  
Try again, don't give up, all together, that and this  
With all our tricks we're making Christmas time

This time, this time  
Making Christmas, making Christmas  
It's almost here and we can't wait

So ring the bells and celebrate  
'Cause when the full moon starts to climb  
We'll all sing out, "It's Christmas time"
