It's not that unusual  
When everything is beautiful  
It's just another ordinary miracle today

The sky knows when it's time to snow  
Don't need to teach a seed to grow  
It's just another ordinary miracle today

Life is like a gift they say  
Wrapped up for you everyday  
Open up and find a way  
To give some of your own

Isn't it remarkable  
Like every time a raindrop falls  
It's just another ordinary miracle today

Birds in winter have their fling  
Will always make it home by spring  
It's just another ordinary miracle today

When you wake up everyday  
Please don't throw your dreams away  
Hold them close to your heart  
'Cause we're all a part of the ordinary miracle

Ordinary miracle  
Do you want to see a miracle?

It seems so exceptional  
The things just work out after all  
It's just another ordinary miracle today

Sun comes up and shines so bright  
And disappears again at night  
It's just another ordinary miracle today

It's just another ordinary miracle today
