Listen close, and listen hard,
The tale of Violet Beauregarde
This dreadful girl she sees no wrong
Chewing, chewing, chewing, chewing, chewing,
chewing all day long

Chewing, chewing all day long.chewing,
chewing all day long.
Chewing, chewing all day long.

She goes on chewing till at last
Her chewing muscles go so fast.
And from her face her giant chin
Sticks out just like a violin

Chewing, chewing all day long. chewing,
chewing all day long.
Chewing, chewing all day long

For years and years she chews away
Her jaw gets stronger every day.
And with one great tremendous chew
They bite the poor girls tounge in two
And that is why we try so hard
To save miss Violet Beauregarde

Chewing, chewing all day long chewing,
chewing all day long
Chewing, chewing, chewing, chewing, chewing,
chewing all day long
