you were there with your girls all dressed up in dark
blue
standing over there acting like it ain't about to go down
and maybe if i take you back to my place then just
maybe
i can put my hands on your beautiful body
makin love night and day
baby its about to go down

[chorus]

I'm curious. I wanna know how you look without your
dress,
when your makeups off your hairs a mess, on top of
me kissin' my chest {x2}

[verse 2]

And baby, yeah, never thought I'd be the one to ever
say this
So excuse my words girl, I just cant resist
The way you look tonight; act like it's about to go down..
and baby yeah, when you lick your lips like that it drives
me crazy
That look in your eye, it's just so sexy
So close your eyes, and let it slide, cuz baby, it's about
to go down

{chorus}

I'm curious to see how you look underneath that skirt,

baby i wanna peek, I wanna see what I'm about to get
