Shine bright like a diamond
Shine bright like a diamond

Shooting stars in your eyes I see
I choose to be happy
You and I, you and I
Weâ€™re like diamonds in the sky

In my head I see,
a vision of you and me
When you hold me, Iâ€™m alive
Weâ€™re like diamonds in the sky

I knew you were the one for ride away
Oh, right away
At first sight I saw the energy of sun rays
I saw the life inside your eyes

(So shine bright) tonight you and I
are beautiful like diamonds in the sky
Eye to eye, so alive
Weâ€™re beautiful like diamonds in the sky

Shine bright like a diamond
Shine bright like a diamond
Shining bright like a diamond
Weâ€™re beautiful like diamonds in the sky

Shine bright like a diamond
Shine bright like a diamond
Shining bright like a diamond

(ohhhh)

Shooting stars in your eyes I see
I choose to be happy
You and I, you and I
Weâ€™re like diamonds in the sky

In my head I see,
a vision of you and me
When you hold me, Iâ€™m alive

Weâ€™re like diamonds in the sky

I knew you were the one, for ride away
Oh, right away
At first sight I saw the energy of sun rays
I saw the life inside your eyes

(So shine bright) tonight you and I
are beautiful like diamonds in the sky
Eye to eye, so alive
Weâ€™re beautiful like diamonds in the sky

Shine bright like a diamond
Shine bright like a diamond
Shining bright like a diamond
Weâ€™re beautiful like diamonds in the sky

Shine bright like a diamond
Shine bright like a diamond
Shining bright like a diamond
Weâ€™re beautiful like diamonds in the sky

Shine bright like a diamond
Shine bright like a diamond
Shine bright like a diamond
