It's been eighteen months and fourteen days Bobby  
can't get em a job  
Repo mans gonna take his van  
Bobby's given up on god  
He needs a hand up and not a hand out  
But hey everybody's gotta suffer  
Don't worry Don't worry it's only my brother  
La da da da da yeah

So where is that poverty line I never really seen it  
Look around I'm doin fine I'm not really sure I believe it  
On the other side of town schools are fallin' down but  
me I'm ridin' in style  
Don't worry don't worry it's only a child  
There's a homeless woman with a shopping cart living  
on the street  
Lord knows she can't come in here where the pretty  
people meet  
And were all dressed in our Sunday best  
And she smiles when she sees us  
Don't worry it's only Jesus la da da da da yeah

There's a face in the mirror of a man that I can be  
Lord won't you open my eyes  
Won't you help me see  
A hungry child needs more then a piece of bread  
Brother needs a job to get ahead  
And the homeless need a place to lay their head  
And as much as I've been given I could never give  
enough  
Don't worry it's only love la da da da da yeah

It's only love  
It's only love

Gonna make it together  
Walkin' hand in hand  
Fallin' down to our knees is where we'll make our stand  
You can never give it all away  
You can never get enough  
Don't worry don't worry don't worry

It's only love

When your lonely cold and empty  
Only one thing to fill you up  
And it's only and it's only and it's only  
It's only love  
Yeah yeah yeah yeah yeah  
Yeah yeah  
Yeah yeah yeah yeah  
Yeah yeah  
Yeah yeah yeah yeah  
Yeah yeah  
Yeah yeah yeah
