Feels like the weight of the world is on my shoulders  
You know I love you, but I just need some time.  
I know I said nothing will come between us,  
But I just can't bear it to see you crying  
I wanted to be your everything, baby  
I wanted to be the one you call on to make it right  
But tonight I can't be Superman!

[Chorus:]

Cause your tears are my kryptonite, oh, oh  
This is killing me!  
Your tears are my kryptonite, oh, oh  
I can't take it anymore!  
I don't wanna let you girl and just can't find  
Cause i'm dying inside  
Your tears are my kryptonite  
And i just can't get way

I always thought that you be the one to save you  
But i'm the one that you need save you fault  
I can't breack this fault damn between us  
I guess i'm not a man you thought i was  
I wanted to be your everything, baby  
I wanted to be the one you call on to make it right  
But tonight I can't be Superman!

[Chorus:]

Cause your tears are my kryptonite, oh, oh  
This is killing me!  
Your tears are my kryptonite, oh, oh  
I can't take it anymore!  
I don't wanna let you girl and just can't find  
Cause i'm dying inside  
Your tears are my kryptonite  
And i just can't get way

I'm trying do this salfe this stay  
I don't wanna see you hurting anymore  
Because you me this killing me mercy

[Chorus:]

Cause your tears are my kryptonite, oh, oh  
This is killing me!  
Your tears are my kryptonite, oh, oh  
I can't take it anymore!  
I don't wanna let you go and just can't find  
Cause i'm dying inside  
Your tears are my kryptonite  
And i just can't get away
