Much as you blame yourself,
You can't repent for the way that you feel
Had no example of a love,
That was even remotely real

How can you understand
Something that you never had?
If you let me,
I can help you out with all of that

Let me love you,
And I will love you,
Until you learn to love yourself
Let me love you,
I know your trouble
Don't be afraid,
Oh I can help

Let me love you,
And I will love you,
Until you learn to love yourself
Let me love you,
A heart in numbness
Is brought to life,
I'll take you there

I can see the pain behind your eyes,
It's been there for quite a while
I just wanna be the one
To remind you what it is to smile
I would like to show you
What true love can really do

Let me love you,
And I will love you,
Until you learn to love yourself
Let me love you,
I know your trouble
Don't be afraid,
Oh I can help

Let me love you,
And I will love you,
Until you learn to love yourself
Let me love you,
A heart in numbness
Is brought to life,
I'll take you there

Let me love you,
And I will love you,
Until you learn to love yourself
Let me love you,
I know your trouble
Don't be afraid,
Oh I can help
