When I approached you, it was innocent.
Excuse me do you got the time.
Now I'm like can I walk with you, talk with ya baby.
I wonder if you got the time.
I wanna take you out get to know what you're about.
Ya I wonder if you got the time.
She smiled at me said here's my number call me later.
I'm thinking I can make the time.

[Chorus]
