baby , stop and think . if you had a penny ,
for all those times you made me cry .
you'd be the richest girl alive .
and all those night you said you would call me ,
i sat by the phone all night . all night .

i know you never ment to cause me pain ,
but you know my heart you're breaking .
i know you got the right antettion ,
but listen to the words me saying ..
and let me make it up to you .
i'll never let you go , it's true .

and now i'm on my own , i'm feelin' so empty .
'cuz when you left you took a piece of me .
you changed your back on me .
always used to say ; you'd love me forever .
you're gone , and i can't take it now .
i just can't take it now .

i know you never ment to cause me pain ,
but you know my heart you're breaking .
i know you got the right antettion ,
but listen to the words me saying ..
let me make it up to you .
i'll never let you go , it's true .
