There's a hero inside you, if you look inside your heart,
You don't have to be afraid of what you are.
And There's an answer, if you reach into your soul,
And the sorrow that you know will melt away.

(Chorus)

And then a hero comes along,
With the strength to carry on.
And you cast your fears aside,
And you know you can survive.
So, when you feel like hope is gone,
Just Look inside you and be strong.
And you'll finally see the truth,
See That a hero lies in you, you, you.
Oh yes it does
Lord knows dreams are hard to follow,
But don't you let anyone tear them away.
Just hold on, and there will be tomorrow,
And In time you'll find the way.

(Chorus)

And then a hero comes along,
With the strength to carry on.
And then you cast your fears aside
And you know you can survive.
So, when you feel like hope is gone,
Look inside you and be strong.
And you'll finally see the truth,
See That a hero lies in you.
That a hero lies in you.
Ohhh that a hero lies in you.
I know it does, a hero lies in you
