When the night has come and the land is dark
And the moon is the only light we'll see
No I won't be afraid, I won't be afraid
Just as long as you stand by me

So darling, darling stand by me, oh stand by me
Why won't you stand, why won't you stand by me?
So darling, darling stand by me, oh stand by me
Why won't you stand, why won't you stand by me?

If the sky that we look upon should tumble and fall
And the mountain they should crumble into the sea
No I won't, I won't cry, no I won't shed a tear
Just as long as you stand, stand by me

So darling, darling stand by me, oh stand by me
So stand, won't you stand by me?
So darling, darling stand by me, oh stand by me
Oh Stand, why won't you stand? You got to stand by me

Stand by me, stand by me, stand by me
Stand by me, stand by me, stand by me
Stand by me
