Trust in me, trust in me
Shut your eyes and trust in me
(Hold Still Please)
You can sleep safe and sound
Knowing I am around

Slip into silent slumber
Sail on a silver mist
Slowly and surely your senses
Will cease to resist

Trust in me, trust in me
Shut your eyes and trust in me
Let's Go

Slip into silent slumber
Sail on a silver mist
Slowly and surely your senses
Will cease to resist

Trust in me, trust in me
Close your eyes and trust in me
Trust In Me
Trust In Me
