Honesty, was all I ever wanted you to show to me,
and all I ever needed, now you're gone from me,
and how did this happen after so long,
finally, can we just have some time so you can talk to
me,
or can't you see,

that we've no time, to waste our lives,
and I don't have all the answers,
so I close my eyes, and I hope I'm doing right,

you and me, in your head we were always gonna be
happy,
so are we nothing more than just a memory,
so wipe away those tears and go be strong,
I hesitate, to tell you what im feeling,
baby, I'm afraid what to say,

we've no time, to waste our lives,
and I don't have all the answers,
so I close my eyes, and I hope I'm doing right,
yeah

nothing ever changes when we make up,
you just stay at my house when I'm in town,
so inevitably we must break up,
sorry if I'm outta line,

but, we've no time,
to waste our lives,
and I dont have all the answers,
so I close my eyes, and I hope I'm doing right,
yeahh,
but we've no time (we've no time)
(oh-ohh)
to waste our lives
(oh-ohh)
ad I don't have all the answers

(oh-ohh)
so I close my eyes (close my eyes)
(oh-ohh)
and I hope I'm doing right
(oh-ohh) (oh-ohh)
(we've no time)
(oh-ohh)
(to waste our lives)
(oh-ohh)
(and I don't have all the answers)
(oh-ohh)
(so I close my eyes)
(oh-ohh)
(and I hope I'm doing right)
(oh-ohh)
(oh-ohh)
