Did I tell you I loved you
Tell you I cared
So many questions left in the air
Did I ever tell you how I was feeling
I guess that's the burden I have to bare

So much left unsaid (hmm hmm)
Moments that were left
So without saying goodbye
I'll really try to say

CHORUS

I can't imagine a life without you
No I can't imagine but now I have to
And I'd give anything to see you again
It's true

You said you'd be back

And I'd see you soon
But I never thought that I would lose you
I had visions
There was so much we planned
But instead there's no ending to this book I have read

I can't believe you're gone (no)
And I just can't move on from here
And I can't pass the time
Coz my mind's always thinking of you

CHORUS

I can't imagine a life without you (without you)
No I can't imagine (oh no) but now I have to (now I have to)
And I'd give anything (anything) to see you again
It's true (it's true)
I can't imagine
And I just don't understand

No I can't imagine (no) giving up on our plans (it ain't the way it's supposed to be)
And I'd give anything (anything) to see you again

It's true

My friends say your name
And I feel more alone
Everyday, without you (everyday without you)
Without ya (everyday without you)
And I see your face
And ain't nothing the same
Coz I want you back (I want you back)
Oh yeah (oh yeah)
And there's no way I can go on without you

CHORUS

I can't imagine a life without you (without you)
No I can't imagine (am I gonna do) but now I have to
(now I have to)
And I'd give anything (I'd give anything)
To see you again (there ain't nothing that I wouldn't do)
It's true
I can't imagine (oh no)
And I just don't understand
No I can't imagine (can't imagine no) giving up on our
plans (I have to yeh)
And I'd give anything (anything) to see you again
It's true

Why did you leave me
Coz I really really miss you
I miss you
