Mooving up together
So don't forget that never I will give you my soul
You let me keep the music
Fall in love forever but you and I together I will kiss you
my darlin'
But let me keep the music.
Listen me I dream you
You carry seems to touch you
While I present my heart
But let me keep the music
Everything you like you,
Tune every word you bring me
I will leave you my body
But let me keep the music

BRIDGE

Every night tell me
I gure to feel right

CHORUS

Sleep forever you feel in paradise
So you will dance forever
You can take my style (X2)

You carry seems to touch you
While I present my heart
