I wanna big house, 3 cars,
A maid in the kitchen, sharpshooters on the roof
But I can never, have it all
If I ain't got a queen to spend it with,
I'm talkin' bout youuu
So whatcha say?
Let's make this dream a reality
And I know we just met
But I've already seen enough, I wanna be with ya

I wanna be there when the summer sun up to the rain
fall
I'll be at your door
And all we need is some time alone
I'll show you what you're missing, a love addiction
It's dÃ©jÃ vu
But it's far from fiction, I'm on a mission,
To make my move
Cause it ain't too hard to dream

I don't wanna dream any more, I want it right now, ohh
ohh,yeah
Cuz pretty soon you'll be moving on, I need you on my
team, ohh ohh
I don't wanna miss this chance, and let it slip
I figured it out, oh you bet I did, yeah, yeah
If I let this go, then I know, and you know,
That we can never find real love

I wanna be there when the summer sun up to the rain
fall
I'll be at your door
And all we need is some time alone
I'll show you what you're missing, a love addiction
It's dÃ©jÃ vu
But it's far from fiction, I'm on a mission,
To make my move
Cause it ain't too hard to dream

And every night when I close my eyes, girl I think of you
(Cause it ain't too hard to dream)

And all the little crazy things that I wanna do
(Said it ain't too hard)
With you
I'ma tell you this one thing, yeah
I'ma tell you this one thing, yeah
Pardon me, can't you see, it just ain't too hard to dream

I wanna be there when the summer sun up to the rain
fall
I'll be at your door
And all we need is some time alone
I'll show you what you're missing, a love addiction
It's dÃ©jÃ vu
But it's far from fiction, I'm on a mission,
To make my move
Cause it ain't too hard to dream
