### [Verse 1]

I can't get over the fact  
That you were sneaking and you went behind my back  
You, put on quite an act  
You sure an actor, you can make a lot from that

It's a fairytale, girl I'm closing the book  
It was make believe, and you were a passionate crook  
And it's been a while

### [Chorus]

It's been a while, since you left town  
Let you with a frown, tears coming down  
I think I'ma drown, I miss you  
But you were constantly hurting me  
And baby girl, it's killing me, it's killing me  
I needed you, desperately  
But no, we'll never be  
It's make believe, just make believe

### [Verse 2]

Now I don't know why I am, stressing so much

Cause all these memories keep coming back, missing

You were the one I gave the world to  
Soon you would turn out to be the girl who

### [Chorus]

### [Verse 3]

Ooh, your smile  
You truly made my whole life worthwhile  
And now, that you're gone  
I know it ain't gonna be for long  
I loved your company, you were the one for me  
And it might take a few months, but you'll realize  
That no man can do it like I do, for you, it's true  
Yeah, yeah yeah yeah

[Chorus Â– 2x]

It's been a while, since you left town
