If I stop combing my hair,
And I stop shaving my face.
Would you notice or care,
Would it just be a waste?
If I stop changing my clothes,
If I stop watching my weight.
Yeah, how far do I got to go?
Just what do I got to say?

Iâ€™m the invisible manâ€¦
Everybody shakes my hand but you,
Iâ€™m the invisible manâ€¦
But the only body I want is you.

I walk in slowly with grace,
I hit a couple home runs.
I stand right up in your face,
But I don't block out the sun.
So I go out on a limb,
I get all true blue and sincere,
But I don't show up on film.
I can't be seen in a mirror.

Iâ€™m the invisible manâ€¦
Everybody shakes my hand but you,
Iâ€™m the invisible manâ€¦
But the only body I want is you.

Someone sneaks in ladies locker rooms,
Put on their trunks chalk full of jewels.
I keep my hands where you can see them,
Any fool can see them,
Why can't you see them?
I know when Iâ€™m beat.
I know when to stay down.
You put floppy shoes on my feet,
And a big happy frown.

Iâ€™m the invisible manâ€¦
Try and catch me, If you can.
Iâ€™m right behind you, Here I am.
Everybody shakes my hand but you,

Iâ€™m the invisible man...
But the only body I want is you.
