I found the key now I want more
I read my letters from before
I don't know where or why I go
Cuz all I feel is all I know
Yes I will continue forever until you learn to see
I'm whorless Without you incomplete

Oh oh, here I am
So take it all
Do you catch me when I fall
When I'm reaching out to you
I wanna be right where you are
Like the moon among the stars
Can you hold on to
To the love that I have
To give

I found the meaning of my life
Cuz through the art I came alive
I hope you always stand by me
Cuz I will always stand by you
Yes I will continue forever until you learn to see
I'm whorless Without you incomplete

Oh oh, here I am
So take it all
Do you catch me when I fall
When I'm reaching out to you
I wanna be right where you are
Like the moon among the stars
Can you hold on to
To the love that I have
To give

Yes I'm standing here alone
I can make it on my own
I'm whorless without you incomplete

Oh oh, here I am
So take it all
Do you catch me when I fall

When I'm reaching out to you
I wanna be right where you are
Like the moon among the stars
Can you hold on to
To the love that I have
To give

From me to you
The love I have
