She gives me gree-gree  
on a honey bun  
she touch me  
with that Shakespeare tongue  
doin' things we ain't never done  
since love broke down the door  
I was runnin'  
with my crazy crew  
killin' time  
on blunts and brews  
never thought I'd meet  
no one like you  
since love broke down the door  
yeah love broke down the door  
I feel my heart beat  
poundin' like a back beat  
tellin' every part of me  
you know I'm gonna  
have you in my dreams  
so sweet sweet dreams

and I been a fool  
but I never felt nothin' so true  
since love broke down the door  
I tell ya that love broke down the...  
I feel my heart beat  
poundin' like a back beat  
tellin' me  
there ought to be a law  
against feelin' this good  
and then we break it  
it would be broken  
she loves my ya-ya  
in the afternoon  
sugar cane  
underneath the moon  
everything we need  
is in this room  
since love broke down the door

I tell ya that  
love broke down the door...
