Oh love
elusive stranger
oh love
where have you been
the whole world's
crying for your pretty face
oh love
I been standing
in the shadows
dreaming you came back to me
oh love
mysterious creature
oh love
lost in the wind
my whole life's been
asking you a question
oh love
I didn't see you
taking off your mask
I couldn't see
you staring
back at me
one day I woke up falling down
I woke up under my bed
I woke up feeling like a lonely clown
morning paper at my door
said love was dead
oh love
oh love
morning paper at my door
said that love was dead

oh love
original prankster
oh love
nobody's laughing now
the whole world's
crying for your tender touch
oh love
open my window
and my broken heart
show me that I can

'begin again
one day I woke up falling down
I woke up under the bed
I woke up feeling like a lonely clown
morning paper at my door
said love was dead
oh love
oh love
someone on the radio
said love was dead
oh love
mixed up and messed up
oh love
cowardly lion
the whole world's
looking for those angel eyes
oh love
I been standing
in the shadows
dreaming you came back to me
