Sold my soul  
but they bounced the check  
now who'd a thought  
I'd get a second chance  
to stand up strong  
on the front line  
things are fucked  
but I still feel fine  
guess you thought  
I given up on you  
but I'm still in love  
looks like you are too  
yeah yeah yeah  
woke up running  
in the wrong direction  
woke up crying  
in a comedy club  
woke up dreaming  
in a rollercoaster  
and then one day  
I just woke up  
guess you thought  
I given up on you  
but I'm still in love  
looks like you are too  
yeah yeah yeah  
we been standin'  
in a line to a line  
we been waitin'  
on a real goodtime  
in a world gone blind  
cause no one wants to see

don't close your eyes  
don't close your eyes on me  
yeah yeah yeah  
thought I lived  
on another planet  
saw my dreams  
turn from gold to granite  
and baby sometimes  
I can't stand it I still act

just like I planned it  
guess you thought  
I given up on you  
but Iâ€™m still in love  
looks like you are too  
yeah yeah yeah  
we been standing  
in a line to a line  
we been waiting  
for a real good time  
in a world gone blind  
cause no one wants to see  
so donâ€™t close your eyes  
donâ€™t close your eyes on me  
yeah yeah yeah  
sold my soul  
but they bounced the check  
now whoâ€™d a thought  
Iâ€™d get a second chance
