She drinks dead water  
from a rusty dream  
cuz it makes her stronger  
it's later than it seems  
and she keeps on tryin'  
ain't nothin' else to do  
but the nights get longer  
and the blues more blue  
so you try to hold her  
but she can only fly  
she can only fly  
she eats bad mojo  
tryin' to find a cure  
and she walks a tight rope  
cuz it makes her purr  
and she swings to the music  
got a gypsy's soul  
and she wants to want you  
and she lets you know  
she takes what you're givin'  
but she can only fly  
she can only fly  
she can only ask why  
the room's still spinnin'  
she only can lie  
when she says she's comin' back

she only can cry in your arms  
once again, and again.....  
she keeps her magic  
where she keeps her heart  
and you can't have it  
til you hit the mark  
and the song starts singin'  
every time she smiles  
and you want to want her  
for a million miles  
and you try to love her  
but she can only fly  
she can only fly  
she can only ask why  
the room's still spinnin'

she only can lie  
when she says  
she's comin' back  
she only can cry in your arms  
once again, and again.....  
she drinks dead water  
from a rusty dream  
cuz it makes her stronger  
it's later than it seems
