Speaking for myself
Let me be the one to tell you
Right to your face
Speaking for myself
Let me be the one
To lead you out of this place
Let me be the water boilin'
In a pot of yesterdays
Get high, start to cry
One day you're gonna say

Speaking for yourself
Found out that you played a bigger part
Than you knew
Speaking for yourself
Suddenly you found out there was more in you
Speakin' like a neon burnin' soldier
Fightin' for a righteous soul
Get high, start to cry
But one day I know you'll know

It's your time, It's your turn
It's your life, It's your world
Speaking for ourselves
We stood up to the night
Crashing down on our head
Speaking for ourselves
We stood up to the lies
Spoken by the living dead
Stood up to the violence
Turning heroes into killers
Turning lovers into a widow's child
Get high, start to cry
One day you'll realize

It's your time, It's your turn
It's your life, It's your world

Speaking for myself
Let me be the one to tell you
Right to your face
Speaking for myself

Let me be the one
To take you out of this place
And I'm speaking for myself
