Now Iâ'm  
gonna keep on cominâ'  
against all odds  
no one believed  
now Iâ'm  
hot like the summer  
rollinâ' baby  
gonna ride the breeze

right thru the night  
these tattered dreams  
like frozen ice  
the blood of my love  
fallinâ' like rain  
these lonely tears  
they keep me alive  
Iâ'm the desert king ...

now Iâ'm  
stuck in the middle  
touch me baby  
so I can chose  
now Iâ'm  
drunk just a little  
show me baby  
what I got to lose

behind your eyes  
behind your smile  
behind your heart  
there is a place  
nobody knows

I want to go there  
I have to go there  
Iâ'm the desert king.....

my heart is rough  
it donâ't need much  
I just need your love  
my heart is tough  
it donâ't need much

I just need your love

now Iâ'm  
gonna stand for something  
gonna rise up baby  
howling at the sun  
now Iâ'm  
gonna dance with nothing  
gonna take your hand  
take you on the run

past memories  
like empty cabs  
they sing for ghosts  
they call out your name  
the picture is blue  
and no one can see  
itâ's really me  
Iâ'm the desert king.....
