You look, for love  
All around town  
You couldn't find none  
Just alot of lost and lonely souls  
Running wild  
You look, for life  
Hangin' upside down off a late night  
Trippin' hard through those dusty hearts  
Smiling like a knife

But when you come for me baby  
I'll tear the walls apart  
And when you come for me baby  
I'll open up your heart  
And you know that I would

You run, around  
Girl even when you're feeling down  
Somehow you keep on flyin'  
Even when you fall  
You hide out in the hearts  
Saw you sneakin' out after dark

Steppin' over those empty bottles  
Like lovers in the park

But when you come for me baby  
I'll tear the walls apart  
And when you come for me baby  
I'll open up your heart  
And you know that I would

Carry the water  
And love you tomorrow  
Well you know that I would

You look, for love  
But girl you didn't look hard enough  
Cuz you didn't see me standin' here  
Laughin' in the rain  
You look, for life  
Girl you're turnin' out the light

And baby if you can't see no one  
No one can see you  
CHORUS
