Party for real this time
Party for real
Party for real this time
Party for real

Everyone thinks that you're so cool
Too bad I hate you all as much as I hate school
Throw you a book and flunk a test
Cuz you're a loser like all of the rest
Goin' to school is a waste of time
I'd rather sit around and blow my mind
I'm sure you're happy bein there
You've got so many friends you're such a square

I just wanna blow my mind
Get stoned and wasted all the time
I just wanna blow your mind
Kill every single one of your kind

Everyone thinks that you're so cool
Too bad I hate you as much as I hate school
Throw you a book and flunk a test
Cuz you're a loser like all of the rest
