So how's your dude zone dude?  
Oh why don't you go home?  
They want it here, they want it right here  
They want some beer at their dude zone

So how's your dude zone dude?  
Oh why don't you go home?  
Dude zone going through my brain  
It's in the freezer and I'm going insane

And they're all like, "wheres the party at?"

And then they're like "at the dudezone"  
And I'm like, "fuck the dudezone  
C'mon guys, lets go!"

We wanna be friends with you  
Everyone wants to have a good time  
We can do this if we work together  
We can have a very good time together
