So how's your dude zone dude?
Oh why don't you go home?
They want some beer, they want a ride here
They want some beer at their dude zone

So how's your dude zone dude?
Oh why don't you go home?
Dude zone coming through my brain
It's in the freezer and I'm going insane

And everyone's like "where's the party at?"
And then they're like "it's at the dude zone"
And I'm like "fuck the dude zone! come on guys! lets
go!"

We want to be friends with you
Everyone wants to have a good time
We can do this if we work together
We can have a very good time together!
