come on all you girls lets get together
we're gonna have a great time

hey all you girls
i 've seen you at a party
i've seen you getting drunk
making fools of yourselves
but it's okay
i'll get together with you anyways
just as long as i never see you again

you say you want love
but do you think i really care?
all you were was a one night stand
and all i wanted was your sex

come on all you girls lets get together
we're going to have a great time
i'll take off your clothes
then take off mine
and then we'll begin to dine

come on all you girls lets get together
we're going to have a great time
i'll take off your clothes
then take off mine
and then we'll begin to dine

hey all you girls
i'm feeling really horny
i've got a big old boner sticking out of my pants
but it's okay
i'll get together with you anyways
just as long as i never see you again

one time possession
and you don't mean shit to me
all you wanted was a relationship
and i just wanted you to suck my dick

come on all you girls lets get together
we're going to have a great time

i'll take off your clothes
then take off mine
and then we'll begin to dine
