[Layzie]

Lord help me make up my mind
which way do I turn when there's so much stress
surroundin' me daily? This world's so cruel and shady
and I really do miss my baby baby boy, oh boy
me and yo' bigger brother we keeps it realer
You'll always be our lil' nigga, and I know yo' mama
miss ya
Picture the day when I get my callin' but until then
I guess I'm stuck [Oh Fuck]
Little T know I miss so much when he get to heaven
baby
Boy what's up? We can ride and roll, I know
without this Po-Po trailin', bailin'
All the way to heaven betcha that's a promise
Comin' with tha bombers, niggaz can't test this
creep defeat is all ya meet
Rollin with tha niggaz that pack the heat
and the sack of weed straight out of control
Test tha souls, hoes, nigga rolls, playa haters
and tha po-po as well
Figure (?) everybody need (?) and we livin' in hell
nigga really can't tell, so why?
Prepare for the worst and hope for the best
and the rest as written, some wanna treat my
like I'm forbidden, but I'm just lookin' for the shit that's
hittin
Could I be? Come a little bit closer
why you cautious when you approaches?
Is ya scared of tha fact we soldiers Mo' Thug
breakaz fittin' ta take shit over
Under my halo pray mo' say Mo' Thug wit love
to tha depth that tha game goes
Die all you hoes, foes, and you propose.

(w/ Ken Dawg) Nigga better roll than get rolled over

we shuttin' shit down, and you
know a nigga love to get buck wild
pow come fuck wit me now [now, now]

[Krayzie]

This is my family, this is my family, my family

Be crooked (?) beginnin' of my endin' (?)
Why is my mind spinnin' (?) I'll say hey, fuck it
my family ain't livin' for nothin' but strugglin'
was one of the reasons I'm thuggin'
instead of (straight) hustlin' (?) Somebody tell me

[Wish]

Cause you're, too young, mama, and daddy, when ya
lay down and (have some eggs?) and I remember y'all
breakin' up
Doin'it layin' down. What went wrong?
Was it me? But I ain't mad at'cha
cause outta all that shit I got two sista's and a brother
and I learned to harmony
On the streets, on tha Clair, that's where
I'm from y'all, on the streets of tha Clair
that's where I met Bone Thugs y'all it's gettin' time to
be a man
gotta get out tha house cause I can't stand mommy's
man
he talks with his hand
Come come creep on tha streets with me
that's where I learned how to sell drugs
it's where I learned how to (pull/pump) slugs

it's necessary, necessary for me to get down for mine
so I creep and I (grind) (?) give it up but get down
And I know that shit was wrong but
don't blame me, blame tha thugsta in me
Cause that's where that shit comes from [comes from]
Bloody red rum, nigga, we nuttin' but survivors, (?)
we survivors, that's why we be..
