VERSE 1

Its another day
I'm on my knees to pray
To change our ways
Our Morals have decayed
We judge us by our race
Surrounded by Hate

VERSE 2

Can you see the signs?
Or are you ignorant and blind?
As society declines
Decadence rules
"He" Observes the fools
Education's a tool

CHORUS:

Son Rise!
Let the Son Rise for you!
Some despise!
That He's out there for you!

BREAK KEYBOARD SOLO
