1st verse

Big mama of the entire school
Had some trouble with the kids
She was always taking their diet cokes
But they always belonged to someone else
She never be polite and simply just ask for it
Just always say give it to me before i eat you, you fagot

Chorus

She didn't mind stealing every day
She just does it and says what the hay
No superpower does she lack
If you don't give it then she'll break your back

She is like a beast
On you she will feast

2nd verse

Tap on her tummy knock on her head
Ask her if anyones inside
I know she kinda acts like she'll ignore

Like she can't hear you anymore
Say it's not always cokes and crackers that get us
through our day
Her tummy should be full not hungry crap look at it
once more

Chorus

She didn't mind stealing every day
She just does it and say what the hay
No superpower does she lack
If you don't give it then she'll break your back

She is like a beast
On you she will feast

Ending

I know how she is
That's why i'm warning you
Know all that she eats that make big as she is
I know that diets mean nothing to her

Her size will kill her kill her if she ever falls
