1st verse

Mrs. Dro's not the biggest person,
There's many people bigger than she,
But she continues growning,
As many people can easily see,
There's one thing more that you hafta know,
It's that she'll keep continuin' to grow

chorus

She'll be that way till she dies,
She's been like that but never cries,
She's mighty so she will pull through,
Or she'll sit on you

2nd verse

She's never tried a diet,
She says they do not work good anyway,
And don't ask her about it,
She tell bout sumthin' bout back in her day,
And say you know kids i don't fear,
I've never once even shed a tear

chorus

She'll be that way till she dies,
She's been like that but never cries,
She's mighty so she will pull through,
Or she'll sit on you [x4]

3rd verse

Mrs. Dro's not the biggest person,
As many people can easily see,
There's one more thing that you hafta know,
It's that she'll keep continuin' to grow

chorus

She'll be that way till she dies,
She's been like that but never cries,
She's mighty so she will pull through,
Or she'll sit on you

And never once will she let you know,
The one thing that she'd never show,

Her actual weight is unknown,
It's what's she's never shown.
