Look what you've done to me,
I didn't think anyone could touch me this way,
You breathed life into my dead heart,
what was left for vultures is alive again.

You never let me down,
you resuscitate me-
reanimate me,
saving my love that's died,
you're my stimulator-
reanimator.

When the rain pours down,
and is sucked into the ground,
that's what you do for me,
I'm growing like a flower in the garden of eden,

You never let me down,
your my stimulator-
reanimator
saving my love that's died,
you defibulate me-
reanimate me.

Only the loveless die.
the flame goes out and the cold survives,
I've been touched by your divinity:
you're my savior,
I'm alive, and I'll never die.

You never let me down,
your my stimulator-
reanimator
saving my love that's died,
you resuscitate me-
reanimate me.

Reanimator,
you reanimate.
Reanimator,
you reanimate.

You never let me down,
your my stimulator-
reanimator
saving my love that's died,
you resuscitate me-
reanimate me.
